Terms & Conditions

Promotion Validity & Eligibility

- This promotion is valid between **1 June 2026 – 31 August 2026**.
- Promotional calibration pricing is exclusively available with the purchase of new equipment from Unitest Instruments Pte Ltd.
- The offer applies only to selected models/item groups and is non-transferable between instruments or customers.
- All purchase orders must be received within the stated promotional period (ends on 31 August 2026).

Payment Terms

- The discounted second-year calibration fee must be paid in full at the time of equipment purchase.

Calibration Scope

- The promotion covers standard calibration only and excludes repair, adjustment, or parts replacement.
- Any additional service costs will be quoted separately at the time of calibration.

2nd Year Calibration Conditions

- Second-year calibration is non-refundable and non-exchangeable once purchased, whether utilized or not.
- Calibration must be utilized within 12–24 months from the date of purchase.

Logistics & Services

- Customers are required to send in their equipment for second-year calibration.
- Delivery or collection services can be arranged at an additional cost if required.
